

REMARKS

The Examiner has indicated claims 1-3, 5, 6, 8, 12-15, 19, 21, and 22 are allowable over the prior art and that claims 4, 7, 9-11, 13, 16, 17, 18, and 20 would be allowable if rewritten to overcome the rejections under 35 U.S.C. 112, 2<sup>nd</sup> paragraph. In the latter the Examiner rejected the claims as being indefinite primarily from the use of phrases "such as" and "e.g." in the claims.

In response the Applicant has amended to remove the offending phrases from claims 4, 7, 9, 16, 18, and 20. Claim 10 was amended to specify the antecedent receiver of claim 9. Claim 11 was amended to specify the antecedent for the externally mounted device of claim 10. Applicant submits that the amended claims overcome the pending rejections and earnestly solicits allowance and expedited procedure to grant.

Respectfully submitted,

Reginald Finn
